

DRIVE TRAFFIC. DELIGHT GUESTS.

Boost Your Booth Engagement

Introducing the Digital Passport Companion App

The Passport is free for exhibitors and designed to bring guests back to your business after the event.

The Digital Passport is a mobile web app where attendees check in at booths, earn rewards in their digital goodie bag, and take home offers that drive follow-up visits.

Works on any smartphone – no downloads needed.

BEFORE THE EVENT

Upload your business info, logo, any and all social media links.

Enter at least one deal, coupon, or incentive to include digital goodie bag (*something you already offer works great*). Ex:

- Free appetizer or dessert with a meal
- BOGO drink, dessert, or appetizer
- 10-20% off an item

DURING THE EVENT

Stand out: Draw more visitors as guests check in with your QR code.

Engage: Check-ins spark easy conversations.

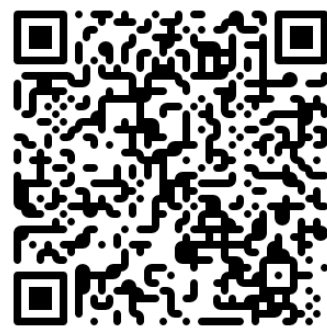

Build Buzz: Attendees earn rewards instantly, keeping your booth lively and memorable.

AFTER THE EVENT

Attendees have forever-access to their passport with your offers so they can redeem them after the event. *#TryItHereLoveItThere*

Follow up easily: Download the opt-in attendee contact list (available for 90 days after the event)
